Tips For Using Destiny

Your Destiny login and password is the same as your school login and password. Always remember to logout when you are finished using the catalog.

Follow the breadcrumbs to navigate the catalog rather than using the forward and back buttons in your browser.

If you need help, be sure to use the Destiny Help displayed on each page.

You can now access the catalog and your information anywhere you have Internet access. To access your information, click the My Info tab at the top of the screen. This will display what Library Materials and Textbooks you have checked out, when they are due, etc. You will also be able to view any holds and fines you have.
